New Delhi: Sanat Products limited has recently acquired the Hindustan Herbals Limited (HHL), completing the process of 100 percent taking over the manufacturing of all extracts and phytochemicals.

As per the press release by Sanat Products, it is an emerging innovation-driven pharmaceutical company, headquartered in New Delhi. Established in the year 1984, the company is engaged in the manufacturing and marketing of pharmaceutical & nutraceuticals products.

Mr Pradeep Burman, Chairman, Sanat Products Limited asserts- HHL is an “Unpolished Jewel” with huge potential to expand Sanat’s line of Business.”In light of increasing demand for herbal extracts from Sanat, we have acquired HHL. We now have with us a modern plant and experienced staff that will ensure that we have the infrastructure to deliver a high level of service with good quality products. Sanat’s customers in over 40 countries will benefit from the acquisition by having access to HHL’s range of botanical API’s, research and development facilities, quality assurance as well as

assistance with CTD compilation, including in-house stability testing. I wish Sanat and HHL Team success in this expansion.

Sanat has inducted two members of its senior management Mr. Goldie Gaba and Mr. Amit Sharma as director in HHL along with Mr. Pradeep Burman. This takeover shall enhance Sanat's existing portfolio of nutraceutical products to phytochemicals.
